## **Continuation Sheet (PTOL-303)**

Continuation of 2. NOTE: the amendments to the claims raises new issues since the patient has now been qualified as having to suffer from the claimed diseases.

Continuation of 5. does NOT place the application in condition for allowance because: the filing date of WO 00/56335 is March 24, 1999 This application was filed after Novemebr 29, 200 thus the filing date of the WO and its priority application can be used in this case. The Seyfried patent does not have to teach the claimed method as now claimed for the above reasons. Thus, the patent does teach a person being administered the claimed composition. The use does not have to be the same as applicant since the amennment is not being entered
